

Plano North Metroplex Chapter

ANNOUNCING "YOUTH SUMMIT 2009: A FREE Premier Youth Conference"

The Links, Incorporated places a high value on the education and development of our youth. In recognition of the ever increasing need to interact in a positive manner with high school aged teens and to undergird their plans, we invite your sons and daughters, grades 9-12, to attend the Youth Summit being sponsored by the Plano North Metroplex Chapter of The Links, Incorporated and The Upward Bound Program, Richland Community College. The Youth Summit will take place on January 31, 2009.

This unique conference will provide information and engage the participants in discussion and activities in workshops that will be both fun and educational. Your sons and daughters will have an opportunity to meet and interact with students and professionals from around the metroplex in an educational and informative atmosphere where ideas can be exchanged and explored. The presenters are knowledgeable and have experience working with teens.

Those teens who wish to share a talent will be invited to do so during "Expressions Café" which will occur during the lunch period. Students are invited to bring song lyrics, poetry, and expressive writings or be prepared to make a physical presentation such as dance or drama. For this event, students should be brought to the campus of Richland Community College on the morning of January 31, 2009. They should arrive no later than 8:15 a.m. in order to complete registration prior to the 9:00 a.m. start of the conference. The conference flier is on the back.

A day filled with fun activity and extensive information is in store for the participants. I do hope that your students will attend. Please RSVP no later than January 28th to Mrs. Delores Wilson at the number given on the attached flier (972-977-6128).

Sincerely,

Shari K. Lamb, President
